## **Thursday Night Fêtes**

Part memoir, part cookbook, "Thursdays with Mom and Michael," by Anita Rosenberg, is a must-have how-to book for Aspenites who aspire to entertain with the best of them.

Get intimate with each of the eight themed parties, where "Mom" Elaine sets the scene at her Red Mountain home with elaborate table and room decorations, while private chef Michael Rueggeberg creates a menu for 10 guests. Together the two make an unbeatable, inspired team.

The book, an homage written by Elaine's daughter, Anita, was published in 2008 and recently won a Living Now Book Awards gold medal. It is available at Chequers, Explore Booksellers and [www.anitarosenberg.com](http://www.anitarosenberg.com). All of the profits from the book (\$48) go to the Breast Cancer Research Foundation.
